

IP rating for the following Ozilite Models

ACL110S	ACL110ST	ACL110L	ACL110LT	ACL110WM	ACL110WMT
ACL240S	ACL240ST	ACL240L	ACL240LT	ACL240WM	ACL240WMT

WARNING! IP RATING IS RELIANT ON QUALITY OF INSTALLATION

When the Ozilite is installed correctly the IP Rating is **IP65**

Some points to consider for IP Rating

- Follow instructions for installation
- Sealing Gasket between front plate and back plate is crucial for Ingress Protection
- S and ST models require the place of installation (Pole) to be considered.
- Whenever front plate is removed, inspect gasket for continued Ingress Protection ability.
